FOREWORD

THIS IS WAR ! Because it has affected the daily routine of every human being in this country, our educational systems have necessarily been changed to meet the emergency. New courses have been inaugurated in the school program. An entirely new machine shop has been built to initiate our students into the vital art of war production. Already in the early months of the war we have lost Mr. Williams and Mr. Cacase, two of our most popular teachers. Several members of our class along with many graduates are already in the various branches of the armed services and are scattered to the four corners of the globe. This Class Book itself has been affected considerably by the war. We have dedicated it to Ulmont Whitehead, the first Bulkeley boy to lay down his life for his country in this Second World War. Following the dedication, we have, as a mark of esteem, honored Mr. Anthony Cacase with a full-page picture. Both of these moves are unprecedented in Class Book history. To those who have gone before, and to those who are about to enter the struggle in the factories, colleges, and armed services of our country, we wish the best of good fortune.

It is only fitting that we thank those teachers and pupils without whose willing co-operation this Class Book could never have been published. We thank Dr. Feingold for his untiring co-operation, Miss Potter for her seemingly endless patience when the going was hard, Mr. Hart for his cheerful, willing aid, Miss Safford for her excellent advice on the art work, William Brennan, Frances O'Hurley, Raymond Devanne, and Constance Zaleski for their hard work and novel suggestions, Genevieve Olschefskie for the tremendous amount of material that she typed with never a complaint, Elsa Gacomine, Josephine Simeone, and Phyllis Maynard for their valuable assistance in typing, and, last but not least, all those whose names do not appear here, but who gave unselfishly of their time and energy to aid in the publishing of this book.

Our Principal

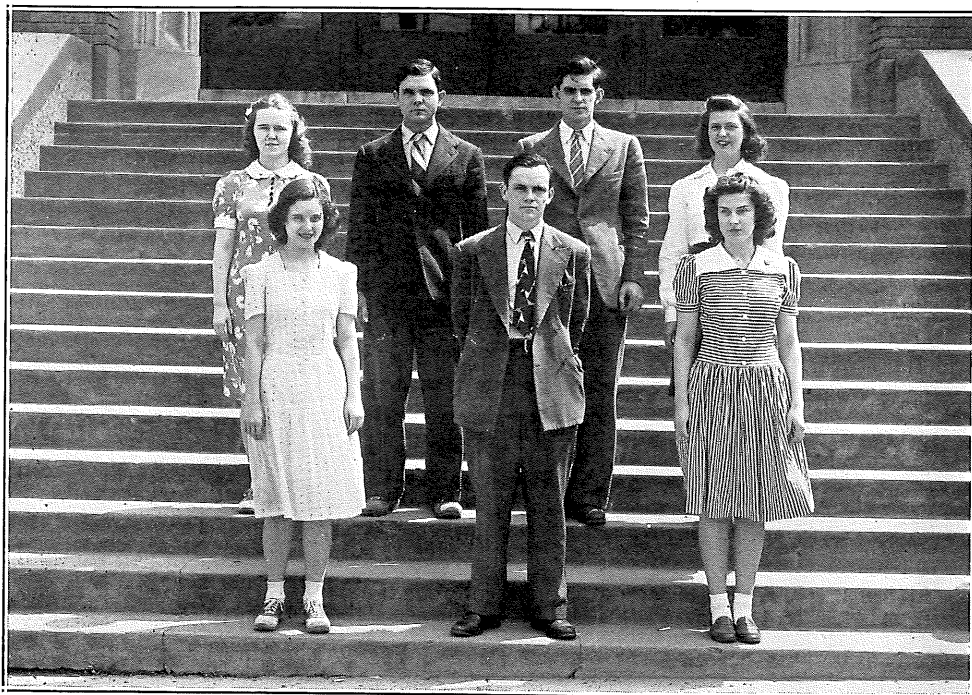

OUR PRINCIPAL'S MESSAGE

The Class of 1942 will be known as the War Class. It was during its senior year that the unprovoked attack by a treacherous and deceitful enemy was made upon our country, thus compelling our nation to switch instantly from a life of peace and security to one of war and sacrifice. Although the black cloud which enveloped the American people on the fateful day of December 7, 1941, was seen approaching our shores several years ago, we did not think that it would swoop down upon us so soon nor did we expect it from the direction from which it came. We were caught unprepared to fight against blackguards because we had always been preparing to live with friends. That was our aim as it should be the aim of all decent, civilized people.

The Class of 1942 marches forth with a high school diploma which temporarily, let us hope, must be laid aside for the sword, to be taken up in defense of country, of home, and of family. It is certain that the Class will not be found wanting nor will it flinch in the presence of grim and hazardous duty any more than it flinched in the presence of the pleasanter tasks of high school life. The young people who could cheer their teams even in the face of defeat, who could look upon victories and defeats with equal equanimity, know that life is greater than any of its component parts. They will, therefore, be able to look upon this war as one of the painful incidents of life, knowing that when it is over they shall return once more to peaceful pursuits and to make their contribution to the American way of life, the essence of which is Freedom and Justice for All.

In addition to this, a new civic responsibility falls upon the members of the Class of 1942. Our world has grown so large and compact at one and the same time that in order to wipe out the inherited stupidities of time, the younger generation must be bold and willing to cut across the divisive factors of mankind such as racial and religious bigotries. It must be eager to bring about a co-operative spirit among all peoples in all parts of the world and to guarantee them the Four Freedoms—the Freedom of Speech, the Freedom of Worship, the Freedom of Occupation, and the Freedom of Security. To bring this about young Americans will be inspired by the words of the Great Emancipator: "With malice towards none and justice for all," they will strive, when victory is won, to bind up the world's bleeding wounds.

Margaret Mary-Ann Adamson

"Peggy"

"A sunny disposition."

S. A. 2, 3, 4; Girls' League 1, 2, 4; Girls' Leaders Corps 3
Girls' Biology Club 3, 4, President 4. No demerits. Southwest
School. University of Connecticut.

Peggy always tries to do someone a good turn. With her
disposition she will surely succeed.

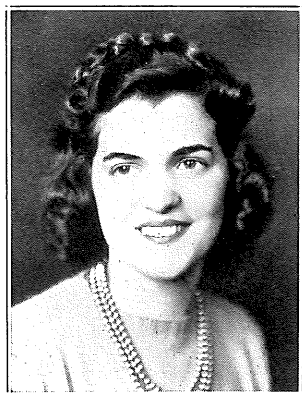

Elvira Virginia Allegretti

"A patient, willing person."

S. A. 4; Girls' League 1, 2, 4; Girls' Biology Club 2, 3.
Never tardy; no demerits. Southwest School. College of Fine
and Applied Arts.

One usually saw only glimpses of Elvira going from one
place to another, but she was really an interesting companion
and a good sport.

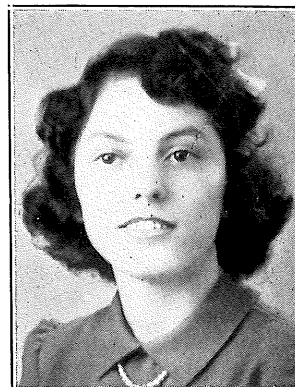

Mary Lucille Amenta

"Mae"

"Friendliness is all that is necessary."

S. A. 2, 3, 4; Girls' League 2, 4; Never tardy; no demerits.
Burr Junior High School.

"Out of sight, out of mind" certainly does not apply to
Mary. Although we haven't seen her much lately, no one
could forget her.

Jane Ruth Anderson

"Janie"

"With witty smile so true, thou art to everyone a friend."

S. A. 2, 4; Girls' League 2, 4; Commercial Club 4. No
demerits.

Lucky is the person who really gets to know Jane, a very
modest, sincere, and likeable person. In the depth of her
brown eyes lie warmth and friendship, and a dancing sparkle
when she smiles.

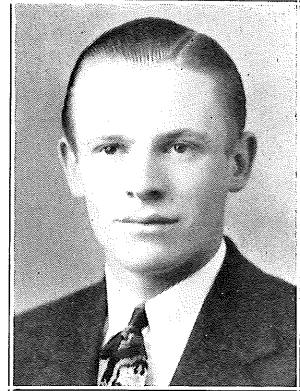

Russell Andrew Anderson

"Russ"

"Look on the bright side or polish up the dark."

S. A. 1, 2, 3, 4; Boys' Club 1, 2, 3, 4; Student Council 3, 4; Room Treasurer 1, 2, 3; Junior Prom Committee 3; Legislative Club 2, 3; Boys' Biology Club 2, 3, 4; "Torch" Editorial Board 3, Associate Editor 3, Co-editor-in-chief 4; "Courant" Correspondent 4; Parnassus Club 1. Never tardy. Hillside-Wilson School. Trinity College.

Russ likes the gayer side of life. If you are down in the dumps, he is always able to cheer you up. He attended all the school affairs, and was hailed "King of Fun." He can be serious, too, as he proved by his conscientious work as Co-editor of the "Torch."

Jean May Angus

"Bonnie"

"Her bright smile haunts me still."

S. A. 4; Girls' League 4. Never tardy; no demerits. Middletown High, New York. Hartford Secretarial School.

Jean was new to Bulkeley in her senior year, but by her quiet reserve and conscientiousness she became known to all her classmates.

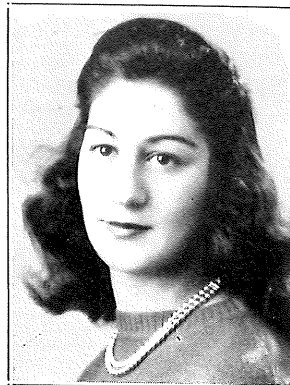

Frances Mary Arman

"Frannie"

"A picture is a poem without words."

S. A. 2, 3, 4; Girls' League 2, 3, 4; Girls' Biology Club 2, 3, 4; "Torch" Editorial Board 3; Girls' Leaders Corps 4; Honor Society 4. Never tardy; no demerits. Hartford Public High School.

Frannie is one of those tall, graceful, and smiling girls who can drop in anywhere and be welcomed.

Doris Rose Atamian

"Do"

"An ounce of mirth is worth a pound of sorrow."

S. A. 2, 4. Girls' League 1, 2, 4. Never tardy; no demerits. Southwest School.

Always hurrying—but still Doris stops long enough to pick up friends.

Rita Pauline Aubin

"Paulie"

"Modesty is a policy not unlike a virtue."

S. A. 2, 3, 4; Girls' League 1, 2, 3, 4, Room Representative 1; Ni-No-Van 4; Commercial Club 4; Editorial Board of "Torch" 4, Typist 4; Room Treasurer 4. Never tardy; no demerits. St. Augustine's School, St. Joseph College.

Rita certainly seems the Minnie Mouse type. You know—quiet, but when she gets going, loads of fun.

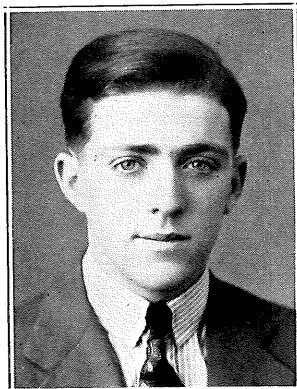

Theresa Anna Avallone

"Tie"

"A certain meadow full in blossom."

S. A. 2, 4; Girls' League 2, 4; Upper Class Choir 3, 4; Girls' Glee Club 4; Honor Society 3, 4. Never tardy. Burr Junior High School.

If you ever see Theresa's name off the Honor Roll, you will know it is time to get glasses. She is a brilliant girl, and is always willing to explain to others less talented.

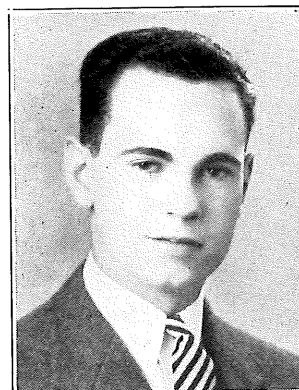

Eugene Moore Bailey

"Gene"

"There is nothing like fun, is there?"

S. A. 3, 4; Boys' Club 3, 4; Legislative Club 3, 4, Secretary 4; Boys' Biology Club 3, 4, Secretary 4; Classical Club 3, 4; Camera Club 4, Secretary 4; Track Team 4. Never tardy; no demerits. Burr School. University of Connecticut.

Wow! Gene is packs of fun! You should have seen him as some kind of wise man in the Classical Club play at Christmas.

Earle Francis Baker, Jr.

"Sundown"

"Get a little fun out of life."

S. A. 2, 3, 4; Boys' Club 2, 3, 4; Boys' Biology Club 2, 3, 4; Legislative Club 2, 3, 4; Classical Club 4; Camera Club 4; Treasurer 4; "Torch" Editorial Board 3. Never tardy. Burr School. Catholic University.

Earle, like his friend, Russ, loves fun. He attended all the dances, each time with a different damsel. Earle will long be remembered for his tantalizing laugh.

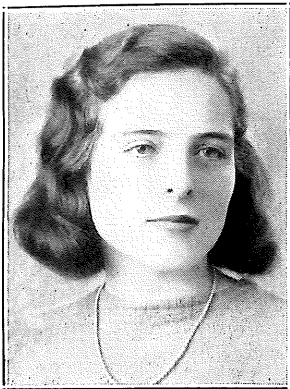

Julia Mary Bambrick

"Tootsie"

"As gentle as the day is long."

S. A. 4; Girls' League 4. Never tardy; no demerits. Newington High School.

Julia was inclined to be quiet, but if you were with her for just a short time her pleasant manner and spontaneous smile would completely win you over.

Betty-May Bancroft

"Bett"

"She is rich in common sense."

S. A. 2, 3, 4; Girls' League 2, 3, 4; Agora 3, 4, Secretary 4; Honor Society 3, 4; "Dial" Business Board 4, Circulation Manager 4. Never tardy; no demerits. Burr Junior High School. Hartford Hospital Training School.

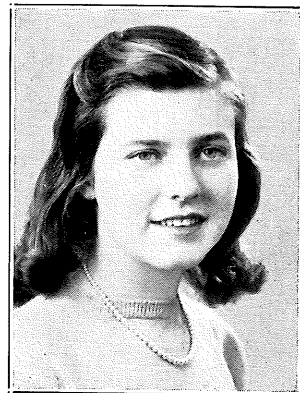

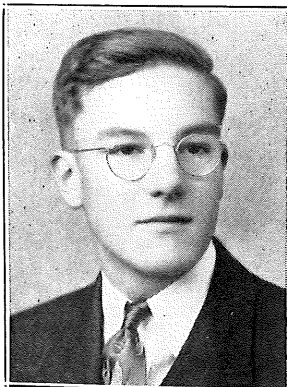

Betty's beautiful red hair attracts everyone's attention, and then her delightful personality holds that attention. She is one of the most worthwhile girls in our class.

Grace Eloise Bannon

"A very refined and lovable person."

S. A. 3, 4; Girls' League 4; Upper Class Choir 2, 3, 4. Southwest School.

Because of her polite and cultured manners Grace was a lovable person and will be remembered by many of us.

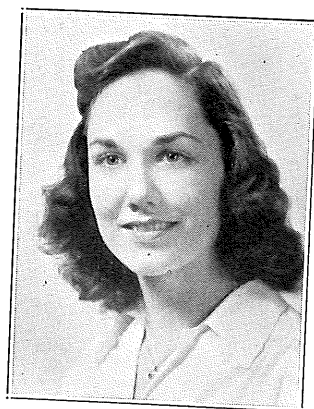

Clarence Wilson Barry

"Will"

"All the world's a stage."

S. A. 1, 2, 3, 4; Boys' Club 1, 2, 3, 4; A Cappella Choir 2, 3, 4; "Dial" Editorial Board 2, 3, 4, Assistant Editor 4; Boys' Glee Club 2, 3, 4; Orchestra 4; Upper Class Choir 2, 3, 4; Classical Club 3; Junior Dramatic Club 1, 2; Biological Repertory 2, 3; Boys' Ping Pong Club 4. Southwest School.

Wilson ought to be an actor, for he continually acts as if he were on the stage. He is accomplished in all departments of music. He will not be soon forgotten.

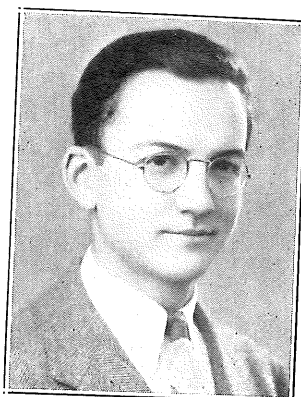

Jacqueline Joyce Bartman
"Jackie"

"There is nothing lost by being quiet."

Student Activity 3; Red Cross 3. Never tardy. Burr Junior High School. Miss Marchant's Secretarial School.

Jacqueline has all the fine qualities of a lady. She has grace, diplomacy, and the best of manners.

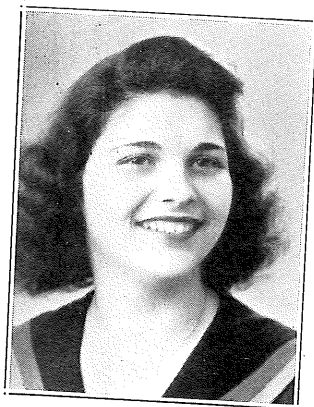

Richard Edward Bartman

"Dick"

"In this man there was such a force of mind and character that in whatever country he had been born, he would have been bound to have made his fortune for himself."

S. A. 2, 4; Boys' Club 1, 2, 3, 4; German Club 2, 3, Secretary 3; Biological Repertory 1, 2, 3, 4, Vice-President 2, 3, President 4; Parnassus Club 2; Honor Society 3, 4; Freshman Glee Club 1; School Printer 2, 3; Junior Usher; Business Manager of Class Book; Second Scholarship Prize 3. Never tardy; no demerits. Washington Street School. Trinity College.

Dick certainly studied, and he had results. He was accomplished in math and science, and in his last year, particularly, made many lasting friends. Good luck, Dick; you deserve it.

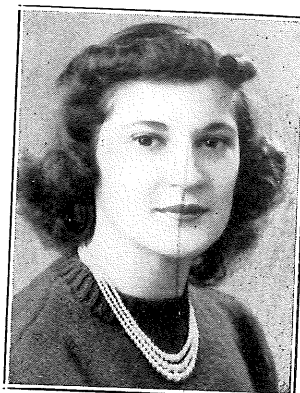

Mary Bassos

"Good humor makes all things tolerable."

S. A. 2, 3, 4; Girls' League 2, 3, 4; "Dial" Business Board 3; Commercial Club 3, 4, Vice-President 4; Honor Society 3, 4. Never tardy. Burr Junior High School.

Mary is the cheerful, athletic type, and always able to make someone laugh.

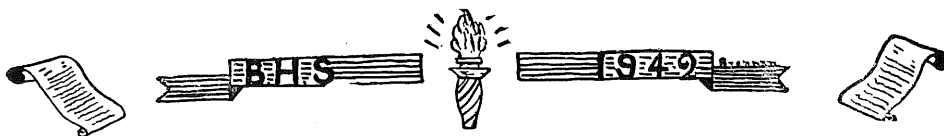

Mary Louise Battaline

"I chatter, chatter as I go."

S. A. 2, 3, 4; Girls' League 2, 3, 4; Junior Dramatic Club 2; "Torch" Business Board 4; Senior Dramatic Club 4; Girls' Leaders Corps 3, 4; Agora 3, 4. No demerits. Burr Junior High School. Miss Marchant's Secretarial School.

Marie is always buzzing and flitting around. Don't let those horrible faces she makes scare you. She is really a wonderful girl.

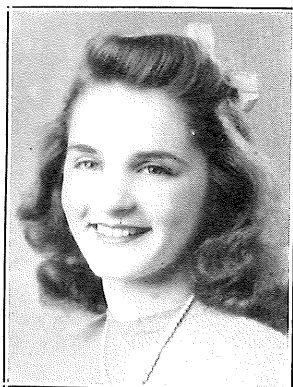

Marion Florence Baxter

"Mar"

"It is tranquil people who accomplish much."

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4; Classical Club 3, 4, Fifth Member 4; Stamp Club 3, 4, President 3, Fifth Member 4; Honor Society 4; Upper Class Choir 2, 3, 4; Girls' Leaders Corps 3. No demerits. Southwest School.

Quiet and reserved, Marion controls her temper wonderfully except during some of those awful chem lab experiments.

Yvonne Henrietta Beaudette

"Eve"

"It is a friendly heart that has plenty of friends."

S. A. 3, 4; Girls' League 3, 4; Girls' Glee Club 3, 4, Vice-President 4; Girls' Choir 3, 4; Dramatic Club 3, 4; Honor Society 4. Never tardy; no demerits. Stevens High School, Claremont, N. H. Morse Business College.

Yvonne can pinch hit for Veronica Lake anytime. She sings, too, as you know from her introduction of Mr. Brockway's songs.

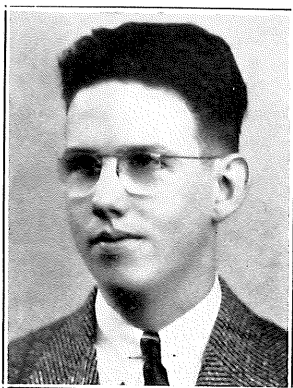

Barbara Louise Beckwith

"Barbs"

"Sis"

"A light heart lives long."

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3; Red Cross 3. St. Augustine's School. Morse Business College.

"Jo"

"A lady, indeed."

S. A. 3, 4; Girls' League 2, 3, 4; Commercial Club 4. Never tardy; no demerits. Burr Junior High School. Bay Path Institute.

"Honor is the subject of my story."

S. A. 2, 3, 4; Girls' League 2, 3, 4. Never tardy; no demerits. Burr Junior High School. Morse Business College.

S. A. 1, 2, 3, 4; Boys' Club 1, 2, 3; Football 2, 3, 4, Letter 3, 4. Never absent; never tardy. Southwest School. Washington and Lee College.

Miriam Elvira Wallwork

"Mim"

"A helper to her friends in need."

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4. Southwest School.

S. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4; Girls' Biology Club 4. Never tardy; no demerits. Southwest School. Hartford Hospital Nurses' Training School.

"A cheerful temper and a wit good-natured."

S. A. 4; Girls' League 1, 2. Never tardy; no demerits. Hartford Public High School. Morse Business College.

S. A. 1, 2, 3, 4; Boys' Club 1, 2, 3, 4, Fifth Member 3, President 4; Student Council 2, 3; Orchestra 1; Basketball 4. Southwest School. Worcester Tech.

Bill is just one grand person. His virtues could be talked about for hours. One is his ability to make friends, keep them, and lead them, as he showed by being President of the Boys' Club. He had the same ability with the girls, even though he is not the President of the Girls' League.

Frederick Lee Wilkos

James Francis Willard

"Jim"

"Men of few words are the best."

S. A. 3, 4; Football 4, Letter 4. Burr Junior High School.

Phyllis is a girl with a lot of brains and an admirable disposition. She's a rather quiet person, but behind that you can find loads of fun.

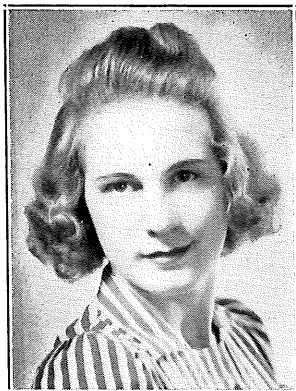

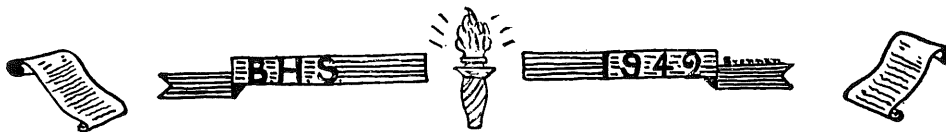

Constance Helena Zaleski

"Connie"

"A little, tiny, witty, charming darling she."

S. A. 2, 3, 4; Girls' League 2, 3, 4; Girls' Leaders Corps 3; Girls' Glee Club 2, 3, 4; Upper Class Choir 2, 3, 4; Junior Dramatic Club 2; Senior Dramatic Club 3, 4; Girls' Biology Club 2. Never tardy; no demerits. Burr Junior High School.

Edith appeared to be one of Bulkeley's busiest students. She was always on the go, yet had a cheery smile and word for all.

Ralph Floyd Adkins

"There is sunshine in his smile."

Boys' Club 3. Burr School.

Ralph was the tall, handsome blond, who used to hold up traffic outside of room 193. He never belonged to many clubs, but was known to all Bulkeleyites by his presence at all school affairs.

Francis Joseph Cichowicz

"Chick"

"Knowledge is gained by listening."

Baseball 4. Never tardy; no demerits. Cooper High School, Shenendoah, Pennsylvania.

Francis possessed a calm, even-tempered nature and usually listened rather than took part in conversations. Maybe this is what enable him to say something worthwhile at a time when it was appreciated.

Grace Purinton King

"Tex"

"Reason is mistress and queen of all things."

S. A. 2, 3; Girls' League 2, 3, 4, Room Representative 2. Never tardy; no demerits. Burr Junior High School.

"Tex" is the girl who is so popular with the opposite sex, and it is no wonder, for who could resist such a magnetic smile and happy face as she has?

Anthony Joseph Landolina

"Tony"

"Thought and silence are one."

S. A. 2, 3, 4; Boys' Club 3; Southwest School. Hartford Trade School.

Tony was one of the silent men of the class. Perhaps this quietness was due to deep thinking, or perhaps he believed in remaining silent unless he had something worth saying.

Theresa Ann Nolan

"Terry"

"Joy softens more hearts than tears."

S. A. 1, 2, 3; Girls' League 1, 2; Ping Pong Club 2; Kickball Team 2. Washington Street School. Miss Marchant's Secretarial School.

Merry Terry is another boost to Bulkeley's Class of '42. A friendly smile and a good disposition are among her most attractive attributes.

Frederick Charles Prophett

"Blackie"

"I never think of the future. It comes soon enough."

Washington Street School.

Fred was that rather tall and handsome lad who traipsed about Bulkeley's corridors, always carefree and gay, never worrying about a thing. He just lets things come and go, but he always had a smile for everyone.

Philip Jerome Sandler

"Skee"

"Every man will be thy friend."

German Club 4; Ping Pong Club 3, 4; Football 3, 4, Letter 4. Never tardy. Burr Junior High School. University of Connecticut.

Phil, a quite big boy, possessed a rollicking good-natured humor, and in class he had the unusual knack of bursting out with answers which usually left teachers and pupils alike pleasantly dumbfounded.

Duncan Robert Smith

"Trapper"

"Far from the maddening crowd."

Southwest School.

We never heard much from Duncan, for he was usually rather quiet. But don't ever mention hunting or fishing to him. He'll talk circles around you on that subject.

Phyllis Elizabeth Weissleder

"Phil"

"She has an easy, carefree way."

Never absent; no demerits. St. Agnes Academy, New York City.

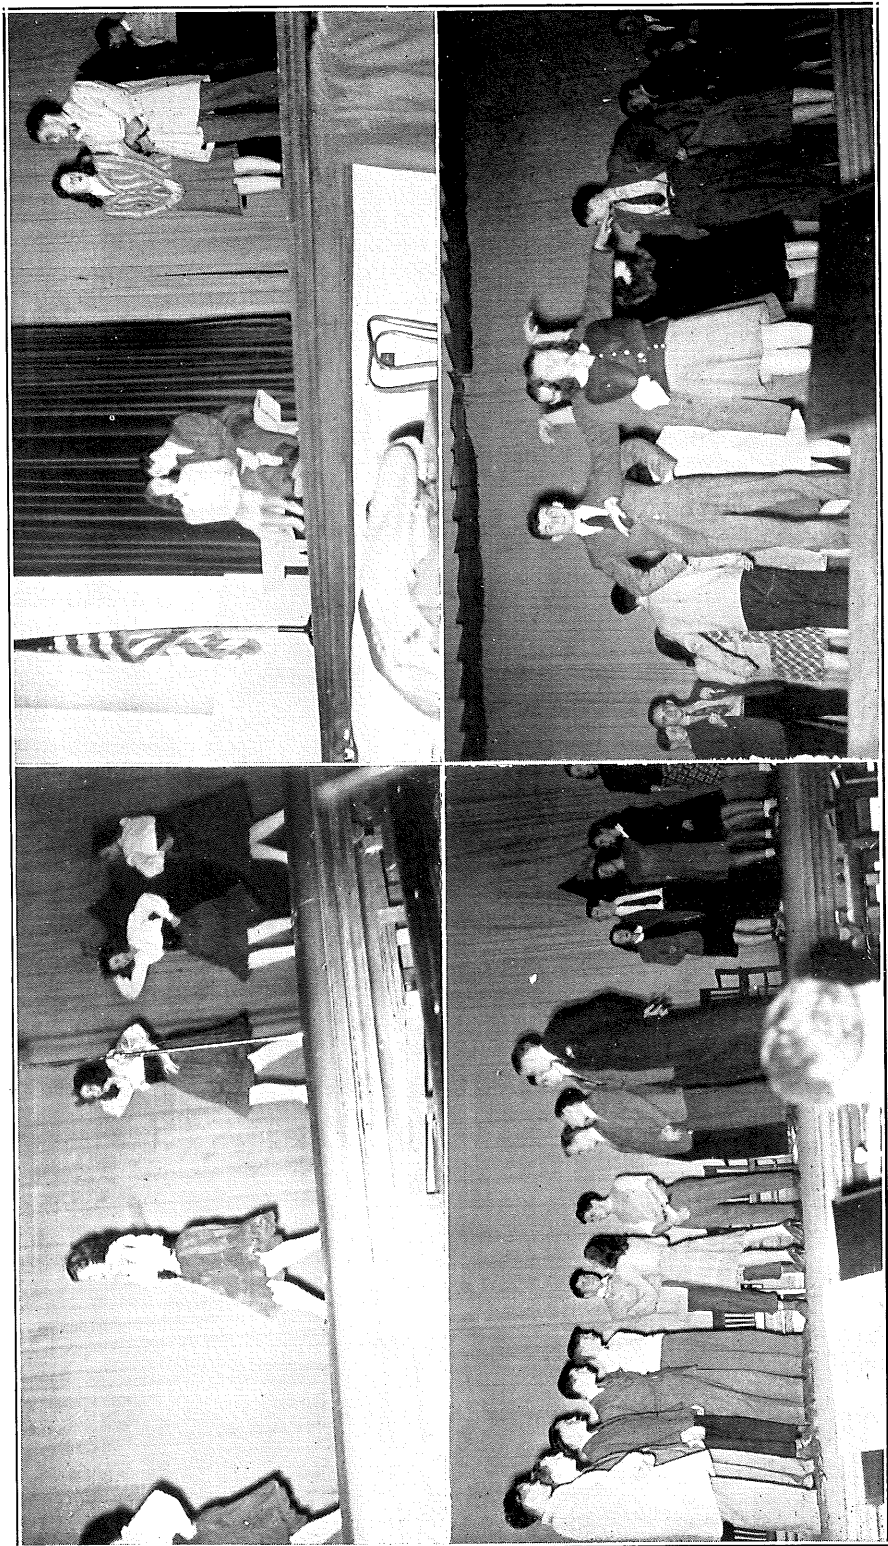

Phil was really a friendly person, as we all found out after we were fortunate enough to make her acquaintance.

Helen Dorothy White

"We meet her like a pleasant thought."

No demerits. Burr Junior High School.

Helen's quietness and studiousness have been a great help to our class. Her conscientious nature will not be wasted in this world.

SENIOR NIGHT SNAPSHOTS

BETWEEN OURSELVES

Nothing is more gratifying than to look back upon the events sponsored by our class as a whole during the past two years. The first one we recall is the Junior Prom which was held on May 9, 1941. It was a semi-formal affair, and much gaiety was added to the occasion by the colorful gowns worn by the girls. About four hundred members of the class danced to the melodies of Ivan White and his orchestra.

The second affair sponsored by the class was Senior Night, held March 20, 1942. Under the able direction of the faculty advisers, it seemed as if almost half the class labored in the preparation of skits, dances, and vocal numbers. After weeks of rehearsing in the face of many discouraging situations, a most entertaining program was presented. The program speaks for itself.

CHAIRMAN'S ADDRESS

TEACHERS, PARENTS, AND FRIENDS:

It is my privilege and pleasure to welcome you here tonight on behalf of the Class of 1942.

At this time, I especially wish to express the heartfelt gratitude of my classmates to the members of the faculty who, through their innumerable kindnesses to us when we were bewildered freshmen, careless sophomores, flighty juniors, and self-confident seniors, have earned our eternal gratitude and friendship.

This evening you will behold us making merry together for the last time before the actual graduation ceremonies. These Class Night exercises, which have been long awaited and will be remembered by us, mean more than the mere presentation of the class history, will, and prophecy; they signify the closing chapter of our informal social careers at Bulkeley High School. We shall relive four of the most pleasant, exciting years of our lives and recall the more important events of this period. We shall deed various articles to deserving Bulkeley personages and penetrate the mists of the future to see what we shall be like in years to come.

Remember, therefore, that mirth and gaiety are the keynote tonight, as our attention is called in turn to the past, present, and future.

In the hope that you will catch this fleeting spirit of merriment, let me once again welcome you to Class Night.

EDWARD RODGERS DOYLE

CLASS ORATION

An Imaginary Speech by George Washington

IN imagination come with me back over the years to June 6, 1778. Let's join the 11,000 men of the Continental Army just before they march on to Philadelphia after having spent a dreadful winter at Valley Forge. Let us listen attentively, for it is George Washington who speaks.

My fellow countrymen: My heart bleeds for you when I recall the trying ordeal through which you have passed. As I look upon your upturned faces furrowed from the trials and hardships you have undergone, there is awakened within me a deep feeling of sympathy, sincere compassion, and grateful appreciation. I should be less than human if your heroic courage, your patriotic loyalty, your patient sufferings were to escape my notice unmoved. The inclement weather which you have just endured, the lack of substantial food, insufficient clothing and shelter, the frozen hands and feet as you huddled around a wretched camp fire—all this, while it moves me deeply, fills me with a complete confidence and gives me courage to carry on so that our cause may triumph.

But let me remind you that you have not borne these trials alone. Strangers from other lands have come to help us. They are now in our midst. They share our trials and sufferings; and to them is due our deepest gratitude. Baron Steuben has left his country and will take upon himself the task of drilling you in the art of warfare. Marquis Lafayette has tendered his services to the colonies and has secured for us valuable assistance in troops and money. If these men are willing to risk their lives in the noble cause which you have undertaken, with what enthusiasm should you who have everything to win or everything to lose embrace the opportunity of securing the greatest blessing, your liberty. Let me remind you further what advantages you possess over those whom you must face in the coming struggle. The hardships which you have endured have fitted you to bear the brunt of the battle. The enemy has passed the winter in comfortable homes, while you have suffered from lack of food and clothing. While many of our numbers have died of exposure, they have entered your homes and enjoyed themselves in ease and comfort. While they have rested you have worked. This life of ease during the past winter has rendered them unfit for the hardships of battle. Your strength has been tried, your courage has been tested, and our first engagement will prove your power of endurance. I am convinced there is not one among you who would not willingly

suffer a thousand winters could he but free himself and his posterity from the yoke of tyranny and oppression. Remember what is at stake: your homes, your firesides, your liberty—personal, civil, and religious liberty. Can any condition be so galling as that of a subject cringing under the whims of a foreign and despotic ruler?

I realize how dearly we shall have to pay for this liberty. I realize that it must be purchased at the price of blood. I realize that many of us will have to lay down our lives in order that others may have liberty and enjoy the blessings of life—but think of those who come after you. Think of the happiness of living in a country made free by the rich blood of loyal and devoted heroes. Think of your children and your children's children sitting by the fireside and in the schoolroom, telling the glorious deeds of men who were willing to do and to die in the sacred cause of liberty. Posterity will never forget the noble heroes who purchased this liberty at the price of their blood.

Tomorrow, then, we will move on to Philadelphia. We will take up the trail of the enemy. We will follow them. We will engage them in battle and we will not stop until we have driven them from the face of the land. In a few short hours the blast of war will be heard; the roar of cannon will sound in your ears; you will see your comrades fall beside you; you may think that you will be the next to fall, but falter not, hesitate not, flinch not. You who have braved the rigors of this winter's storm can bear the brunt of the enemy's sword.

Upon you, my fellow comrades, we rely in this critical moment. Upon you rests our hope for an ultimate victory. Prove that you are worthy of the mothers that bore you, of the fathers whose name you bear. Resolve to die pierced by the musketball of the enemy rather than live with the chains of slavery clanking round your limbs. Let this be your watchword, "Liberty or Death."

M. DAVITT FOX

CLASS POEM

Four short years have swiftly passed us by.
The time draws near when we must part, and breast
The fury of Life's tempests, woes, alone.
Before us lies the deep, uncharted sea
Of Time, whose undulating surface hides
The key to all our hopes and dreams to come,
The secret of *our* future, and mankind's.
Who knows what heartbreaks or success we'll find,
When once we plunge beneath these murky depths,
And meet, at last, with mingled hopes and fears,
The cold, impassive scrutiny of Fate?
What lies before us, now, no man can tell;
We face a tortured world, convulsed beneath
The searing lash of tyranny and strife.
But, steadfast in our trust in God and man,
Our class will see Right triumph in the end.

ELIZABETH LINCOLN HATCH

CLASS ESSAY

Some Thoughts on Ancestors

PEOPLE should be allowed to choose their own ancestors. I am aware that the laws of nature are so enforced that humans have little control over their descendants and that therefore my wish, which is quite the reverse of this situation, is most impossible. Yet it is a happy notion. A man is what he does, not what his ancestors were. Yet wherever an organized community exists there will always be a small group whose illustrious progenitors have assigned to them a little higher rung in the ladder of society; they will bitterly resent but secretly stand in awe of those few whose forefathers have achieved "something." It is a corrupt custom but a universal one. It has insidiously crept into the most diverse regions of the globe. Whether we look to the ancient caste system of India or New York's Four Hundred we see its widespread traces which divide every country—indeed it goes even further than that; whole nations have sprung to heights of glory and grandeur spurred on by the vague ideal, a germ of an idea instilled in their hearts that the seed they sprang from was noble, exalted, holy.

I have often wondered if these truths could not as easily be applied to the animal kingdom. How like the aloof Brahman or the portly society dowager is the cat who, aware that attention is focused on him, looks unconcernedly away and raises his nose skyward, saying as loudly as if with words, "My ancestors were something. My great, great, great grandfather was sovereign of the jungle. In the infinite depths of Africa the heart of the cowering beast and simple black quaked at the sight of his mighty presence." The dog who sneaks off with his tail tucked between his legs is after all only the descendant of the lowly wolf.

I advocate the election of one's ancestors not because it enables all of us to become braggarts, but merely as a measure of self-defense against the vicious weapon, class distinction.

My system is already employed in part by those who boast of their ancestry. The First Families of Virginia may be of Jamestown stock, yet somewhere in those generations between that age and this there must have been born to these lines an innumerable host of nonentities, perhaps a ne'er-do well, even a criminal, among

this unidentified army of forefathers who link the notable past with the proud present, and whose names are never formed by human tongue, for they are not "chosen" ancestors.

Even among the lower ranks we find the attempt to single out one illustrious individual of remote relationship. It is one of the more pitiful situations of the world's social system that Mr. Jones of no definite identity vainly tries to push ahead, eagerly referring to John Paul Jones who (by some quirk of nature) was his great grandfather's step-brother's cousin.

Praise not those who were born into fine old families and revel in the fact. It is an honor which they themselves did nothing to earn. Boasting with nothing to boast of! If we could not choose our own progenitors, at least we have earned the credit for having good taste in our choice.

Such a reformation of life would prove no easy test for the geneologist. Recharting the orchard of family trees would be a labor Herculean. I fear that some trees would expand like the spreading banyan, while others would remain sickly and stunted and many would wither and die. Parents of the past whose one fault was that they were good, not great, would be denied even the smallest twig.

If I could choose my ancestors, I would throw in a few colorful characters, to be sure. There is something stimulating in the thought that the blood of Napoleon, Thomas Jefferson, or Molly Pitcher runs in your veins. And I say this even to the heartless biologists who tell us that after a few generations the bluest blood will have so mingled with the common that all its benefits are lost. Yet despite science I am all for having a few notables in my ancestry. I think I might even throw in a historical criminal, a notorious villain to shock the meeker of my intimate friends when they chanced to recall one of their own worthy clan.

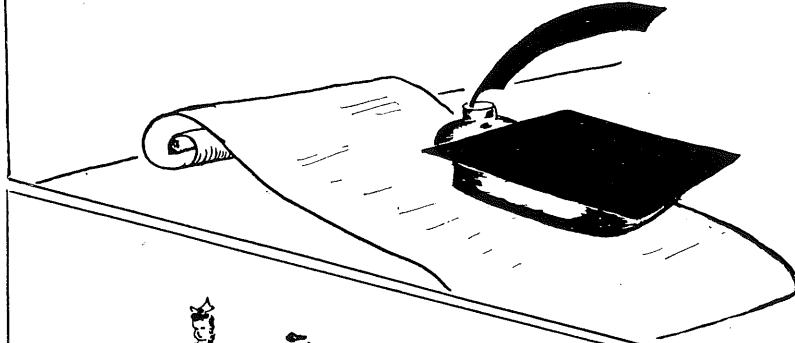

But for the most part my ancestors would be sturdy, steadfast builders; those who obey the commands, and read the blueprint; those who alone do little, but who with a thousand others like themselves build cities, nations, civilizations. I would be more than satisfied with this.

But I readily admit the impossibility of my dream, and on the whole, things are not so bad as they seem. After all, I am a descendant of Alfred the Great, and who will check to discover how remotely!

CLASS HISTORY

Scene—A small house all the way up the next block. It is spring housecleaning time, in the year 1972. The housewife enters and begins sweeping briskly. She looks up.

"John, what's taking you so long to get that attic cleaned?"

"Coming."

The man of the house stumbles in, dropping books, and brandishing wildly a dusty, tattered volume. (*He speaks:*) "Look, here! Look at this!"

"Stop shouting! What's so remarkable about that old book?"

"It's our old Class Book from Bulkeley!"

"Bulkeley? What Bulkeley?"

"Bulkeley High! The school we went to! Look, here's the history of our class."

"I thought we threw it out long ago."

"You thought you did. Well, I saved it."

(*He studies the volume, and begins to read:*)

"Listen: Ladies and gentlemen: We now present for your edification and, possibly, amusement, the history of the Class of 1942. We began, of course, as freshmen—'way back in 1938. A lot of water has gone over the dam since then, and, in truth, some of us have been worn away by the steady drip. However, we still retain a few sparkling personalities, whose scintillating sheen remains undimmed by the soot and smoke of their toil. Bert Ibelle, who in his freshman year joined the Junior Dramatic Club, that little group of inexperienced but whole-souled dramatists, by hard work and inherent talent proved himself one of the best of the Bulkeley actors. It was in the same year that the Student Activity Plan was inaugurated, whereby the students could enjoy, easily and economically, the *Torch* and the *Dial*. Matinee movies also made their debut this year.

"In the sophomore year, however, a greater number of my colleagues exhibited the marks of greatness, hitherto not yet theirs.

When the Student Councilors were chosen from our midst, seven pupils, predestined for further fame, rose nobly to the task at hand. These were Jean Donahue, already noted for her singing and wit; Russ Anderson, who is this year a co-editor of the *Torch*; Bill Wilcox, this year's Boys' Club president; Jane Stevens, later

chosen the prettiest girl of the class (on this point I have my own private opinion, though I bow low to her very apparent pulchritude); Don Egan, even then a very good lefthanded bowler; Fran Kelly, later distinguished in football and basketball; and Al Pappageorge, distinguished for nothing in particular except a deepset gambling instinct. Add all this to the fact that Shark Ferreri, stellar Bulkeley linesman, and John Tomalonis, this year's football captain, also made their humble beginnings in that year, and you are forced to agree that it was a successful year and one of the not inconsequential milestones in our lives.

"That year our chemistry teacher, Mr. Weaver, despite whose ardent tutelage I faltered, was loaned to a California school; and Mr. Tracy of that school taught here. Miss Francis, one of our English instructors, was loaned to a school in Washington; and Miss Little of the Washington school taught here. These changes made little mark, however, upon our education, for the teachers loaned out and the teachers received were equally meritorious. We had a grand year and were looking forward to even better ones to come.

"Say, what's this? It's blurred here."

"Let me see. Oh, yes!"

"At last, we were upper classmen, people of importance in the school. Our junior year was a whirl of social and club activities.

"Members of our class took a prominent part in making the annual 'Torch Nite' a gala occasion.

"The inimitable Henry Aldrich paid a hectic visit to Bulkeley for a performance of *What a Life*. He was alternately aided and balked in his pranks by Thomas Burley, Constance Zaleski, Rita Fortin, Maxine Williamson, Jane Stevens, and Bertram Ibelle.

"The *Dial* sponsored the gala event of Bulkeley's first floor show, as an extra-special feature of the traditional 'Dial Nite.'

"Fran Kelly, Shark Ferreri, Chick Sposito, Dyke Pappageorge, Cy Seymour, John Tomalonis, Francis Vasquezna, and others were prominent in Bulkeley sports that year.

"*Hollywood Extra*, the outstanding musical event of the year, was greatly applauded by all; its success was undoubtedly due to the able assistance of our class's more tuneful members, including John Ferranti, Jean Donahue, Angela DeMino, Everett Bedford, Yvonne Beaudette, Carolyne Hill, Ruth Gross, Bernyce Jalbert, and many others.

"We busy juniors spent many absorbing hours in study halls, speculating as to whether the huge crane working on the new metal-shop building would ever come close enough to crash through the study hall window. Such an absorbing pastime, compared with studying Cicero or American history!

"An Inter-high Student Council Conference was held. John Tomalonis, Rita Fortin, and Jane Stevens served on various committees for this occasion.

"Then came the outstanding social event of the year, the Junior Prom. Under the skillful guidance of Bulkeley's prominent master of ceremonies, William Nelson, its success exceeded all our fondest hopes.

"The Senior Dramatic Club's second play of the year was *Pure as the Driven Snow*, with 'Longfellow' Ibelle as the stalwart hero. It was as successful in its own way as *What a Life* was.

"The annual debate between the Boys' Debating Club and the Agora was held that year, with Elizabeth Sage and Phyllis Greaney as distinguished representatives of our class.

"Our junior year ended with bouts of spring fever, and many headaches over marking period tests. But we survived!

"Ah! we finally reached the high and mighty senior estate, and became the *elite* of the school, the idols of the *green* little freshmen...

"Chem lab was a novel experience for most of us. At first it was a jumble of queer-looking apparatus, broken test tubes, spilled acids, and *mildly* irritating odors. But we budding chemists soon got used to the scientific aroma, and lab was usually a lot of fun.

"Our mechanically-minded classmates were given the opportunity for plenty of tinkering when the new machine shop was opened and defense courses in machine operation were started.

"The *Torch* was off to a good start, with Russell Anderson and Edward Doyle as co-editors. Marjorie Preissner and Faith Milikowski served as co-business managers.

"Cecilia Sears very capably edited the *Dial*, of which Jane Stevens was the business manager.

"Bulkeley turned nautical to welcome the 'Show Boat' on '*Torch* Nite,' with 'Mammy' Donahue, 'Constitution' Ibelle, and 'Chief Chef' Pobuda among the crew.

"The time soon came to sit and 'look purty' for our graduation pictures. From then on, classrooms became portrait galleries for the latest showing of Bulkeley profiles.

"Our big chance to show off came in the guise of 'Senior Nite', which was a veritable riot. Angela DeMino deserved much credit for the success of the musical portion of the program.

"That noted Bulkeley thespian, Bert Ibelle, scored a big hit as the 'Connecticut Yankee', ably assisted by 'Guinevere' Milikowski, 'Lancelot' Pobuda, 'Merlin' Eames, Jean Donahue, Rita Fortin, and other popular Bulkeleyites.

"Some of the prominent club leaders were Bruce Edwards, Honor Society;

John Tomalonis, Student Council; Jean Donahue, Girls' League; William Wilcox, Boys' Club; Marjorie Preissner, Girls' Leaders Corps; and Bertram Ibelle, Senior Dramatic Club.

"We spent a good share of our second semester in voting for class officers. Bertram Ibelle was elected Editor-in-chief of the Class Book, with Rita Fortin as Assistant Editor, and Jean Donahue, Robert Pobuda, Jean Larson, Bruce Edwards, Richard Kelly, and Faith Milikowski as associates. Richard Bartman headed the business board, assisted by Richard Fay, with M. Davitt Fox, William Wilcox, Bernyce Jalbert, Ruth Lynch, Marjorie Paci, and Evelyn Roberts as associates.

"The sale of War Stamps was an ever-present reminder of America's wartime status.

"Cecilia Sears and Elizabeth Hatch were chosen Valedictorian and Salutatorian, respectively.

"Is that a bell ringing? What does it mean? Air raid, fire, or just another class? Shall we run outside, or crawl under the table? Shut the windows, or open them? What a mixup! What a headache!

"Oops! there goes another test tube! Guess we'd better stop experimenting with our history.

"Well, our graduation's almost here, the biggest moment of our school career. Some will go on to college, some to work, and some to war. But whatever *you* do, we wish you all the luck in the world."

Elizabeth—"Those were the days!"

John—"You bet!"

CLASS PROPHECY

Setting: Raymond Devanney, sitting at desk in office, looks through telephone book and then dials number. When bell rings in Mary Tamiso's penthouse, Miss Tamiso answers.

Mary—Hello!

Ray—Hello, Mary?

Mary—Yes. (Aside—Ten years out of Bulkeley and finally a man!)

Ray—This is Ray Devanney.

Mary—(Aside—Married, Well)—How are you?

Ray—Oh, fine. Can't kick. Four kids—all boys.

Mary—(Aside—Hmmm, four boys!)

Ray—I'm on a committee for a ten-year reunion of the Class of 1942. I called you to ask if you could help me get in touch with some of the old gang.

Mary—Oh! I'd love to help.

*Ray—The banquet will be held in Bob "Gravy" Pobuda's Spaghetti Castle—a dollar a throw. The meal will be prepared by the noted chef, Chris "Scooper" Pappageorge, who will be ably assisted by Alexander. We shall have some familiar waiters, namely, Egbert "Blimp" Bedford and Gene "Lover" Bailey. Edward "Casanova" Doyle, editor of our local newspaper, *The Daily Drip*, who will be our general chairman, is planning to invite Dr. Richard F. Kelly to give an address on Dryology. Following him, Jack "Ham" Eames, the noted radio actor, who is sponsored on the radio by Richard Fay's Fluffy Powder Puffy Company, will honor us with a short impersonation of his greatest radio role: that of Dopey in "Snow White and the Seven Dwarfs."*

Mary—Yes, and we could get Wilson Barry's Basin Boogies, now playing a week's engagement at Ed Dooley's Meadowbrook. But they say that the success of the place is largely due to Bernyce "Bubbles" Jalbert leading her chorus, which includes Corrine "Cuddles" Blodgett, Lorain "Lovable" Jaworski, and Carolyn "Honey" Hill. But we'll have a hard time finding that ingenious fellow Bruce Edwards, because he has now invented a plastic hamburger stand that changes its location every time the wind blows. That last storm set it right in front of the Moderne Dress Shoppe of Madame Rita, whose slogan is—

"If flashy clothes you'll be a sportin'

Come to see La Madame Fortin—just 18

small steps from Main Street."

The modeling for the shoppe is done by Jane Stevens and Genevieve Olshefskie, who are now showing Frannie O'Hurley's newest creation "Snuggies".

Ray—Oh, yes—by the way, I almost bumped into bummin' Bert Ibelle on the Willie Wilcox Highway as he was wiggling his fattest finger in an attempt to attract any passing buggy. However, he refused to accept a ride in my motorless 1951 Henry Horsetowski model because my horse had a clean white spot on his forehead.

Mary—Looking out of the window, I just saw that blond bomber Connie Zaleski and her darling twins, Jack and John. Trying to cross the street is "Exotic" Joan Spalding, looking horribly bored, leading two little Pekinese dogs, Brenda and Cobina, and a third one dropping around her shoulder. That careening bus which almost hit her was driven by John Birmingham, who was craning his neck to admire the home of Pat "Restless" Lane, that famous authoress of the book, entitled "The Men in My Life". At her dinner tonight she is entertaining Jean Donahue, that prominent club woman, who will be escorted by the famous bacteriologist, Richard Bartman.

Ray—By the way, last week I went to Early "Curly" Baker's Surprise House, which is featuring the quivering kids, Maisey "Marie" Battaline and Audrey LaMarzano, in their new Shady Shiver Shake Dance. Francis Brighenti was there hotfooting it around with some nifty number, and Saul "Rhythm" Galinsky, Philip "Flood" Geidel, and Davitt "Pudgy" Fox were prancing the light fantastic.

Mary—I was there last week when glamorous Yvonne Beaudette and the irresistible Cy Seymour were the featured violinists with Eddie Kawders' string band. A nightly attraction now is "The Tripping Trio," Jean Larson, Ruth Lynch, and Claire McGuire, with their original dance—La Gonga. "It rings the bell." Also watching the whole affair were playboys Roy Eno and Bernie Hanley surrounded by mobs of beautiful women.

Ray—Apparently all our class is oozing with success and prosperity, for I saw another one of our classmates Shirley Martin arm in arm with Paige 2 of "Esquire", as they were entering Jonathan "Punchy" Dinnie's Swank Soda Bar. Russell "Snap" Anderson was busy snapping pictures of them, which he slipped to Billy "Runner" Brennan, who flew off in his Thomas Burley model autogyro so they would make the Society page of the evening edition of the *Daily Drip*.

Mary—I'll send a telegram to Odette Reymander, who is in Hollywood being publicized as the "Veronica Lake with Black Hair of 1952." They say that she is constantly followed by Elsa Gacomine and Gerry McCusker, each armed with a comb and brush.

Ray—I hear that Frannie "Alluring" Arman, Evelyn "Sugar" Walz, and Rhoda "Vamp" Ericson are vacationing on Joseph "Clamshell" Fantone's yacht captained by William "Dewey" Nelson, graduate of Annapolis. The yacht is manned by a hearty crew consisting of Salvatore "Toto" Camilleri, Jack "Rabbit" Ramsey, Bill "Smokey" Uricchio, Arthur "Smoocher" Pinell, Hugo "Hotfoot" Lapenta, and John "Crusher" Smith.

Mary—Is that so? Well, I didn't know that. Did you know that Marge Preissner is down in Miami modeling bathing suits on the beach for those two

debutantes, Faith Milikowski and Marge Paci, who have just arranged for their second debut because their first was such a success.

Ray—Yes, our class is certainly scattered. Do you know where any more of our class could be located?

Mary—I know I can contact quite a few of the gang at the Hartford Hospital. I was there the other day visiting Phyllis Greaney, who was incessantly talking about her sore toe to June "Waspwaist" Josephson, who strained her muscles doing the Conga over at Pat Luscomb's house. Maxine Williamson was busy nursing John Tomalonis, who is recovering from a broken ankle which he sustained while pole vaulting. On my way out I stumbled over Olga Nogas, who was scrubbing floors, faithfully followed by Betty Bernabo and her mop.

Ray—And I can get in touch with Frederick "Putter" Taylor, "Hard Hitting" Mandly, and Frederick "Niblick" Wilkos, who may always be found on one of the local golf courses. Over at the Shea Club House at the largest course, those two society debs, Rita Cormier and Genevieve Cully, are usually sitting sipping their large cokes so it will be an easy matter to tell them.

Mary—Mary Dungan, Mildred Carlo, Virginia DiGangi, and Gladys Ensign will be performing down at the Moffett and Munnett Skating Rink. Behind the soda bar there, you will find those two soda jerkers, Margaret "Smoothie" Maroney and Evelyn "Gentle" Roberts, concocting their super-special for Doris LeBeau and Angie DeMino. Barbara Flanigan now conducts a skating class for the boys—ages 7-17 accepted—anything over, welcomed.

Ray—Cecilia Sears and Betty Hatch have also turned their abilities toward educating the younger generation at Dora Crane's School. Bert Fulner was busy washing windows at the girls' dorm, while Walt Jedynak strenuously held the sponge. Jeanne Holmberg and Marian Dalton, two of the efficient office staff, were out strolling on the campus with Harvey Carter and Richard Haas, two of the crotchety janitors, when I drove by one day.

Mary—Two others of our class, Pasquale DiSanto and Anthony Montano, have also entered the intellectual field, for I saw their book titled "Idiosyncrasies of Teachers", published by John Madigan, in Muriel McKay's Loafer Library. I also saw Frances Fetch and Barbara Halisey there. They were discussing Joseph Natalie's latest book, "Where Einstein Failed."

Ray—How about meeting with the entire committee next Monday noon at John Mangan's Restaurant to check lists and make further arrangements for the reunion?

Mary—I'll be there. Meanwhile I'll get started on contacting as many others of our class as I can.

Ray—Thanks a lot. Good-bye.

(Mary and Ray hang up)

THE FOOTBALL TEAM

FOOTBALL

Pre-season anticipation pointed toward a very successful gridiron campaign, but a lack of pass defense proved to be the Maroon and White's undoing. These lapses were the main reason why the Bulkeley boys did most of their battling with their backs to the wall. Although the team as a whole wasn't outstanding, it did well when you consider its opposition, made up of many of the strongest teams in the state. Bulkeley's namesake from New London was the state's crowned champ, and everyone regarded New Britain as the best high school football team in New England. Besides these, Bulkeley engaged two perennially strong, down-state elevens, Hillhouse and West Haven.

The first game of the season was played down in West Haven. There the Bulkeley gladiators, aided by superb blocking by "Shark" Ferreri and "Babe" Capobianco, and by Fran Kelly's hard running, played a scoreless 0-0 tie with the vaunted Down-Staters. The second game of the season proved a heartbreaker for Bulkeley. This was the game in which Hartford High threw a desperate last-minute forward pass to break a 13-13 deadlock and give Hartford a 20-13 victory. "Cy" Seymour, Bernie Cacase, and Jack Ramsey played outstanding roles that day in a losing cause. The following weekend Bulkeley met a huge Hillhouse team from New Haven down in the Municipal Stadium. In this encounter the center of the Bulkeley line, Captain Tomalonis, "Dyke" Pappageorge, and "Shark" Ferreri, opened holes in the bigger Hillhouse line to allow Fran Vasquenza and Kelly to tear through for valuable yardage. But again Bulkeley offensive power was wasted by momentary lapses on pass defense, and Hillhouse emerged victor by a 19-7 score. All the Hillhouse scoring was done by passes. West Hartford, Bulkeley's next opponent, came to Municipal Stadium with high hopes for victory, but was doomed to disappointment. In this tussle a quick first-quarter drive featured by Fran Kelly's sprints gave Bulkeley a 7-0 lead. Although Bulkeley was threatening all afternoon, it could not duplicate its first period score. A gallant comeback by Hall fell short by one point. Thus the game ended 7-6 in favor of Bulkeley.

On Friday afternoon, October 31, the strong New London Bulkeley Tigers invaded Municipal Field. The first period game was an even affair. In the second period an intercepted pass gave Bulkeley an early lead, but it was not long-lived, for New London came back with a strong passing attack to down the Maroon-clad warriors 19-7. Captain Tomalonis, "Cy" Seymour, and Jack Ramsey were standouts for Bulkeley. Bulkeley's next battle took place on Armistice Day, when we stacked

up against a strong Weaver team. It was one of those hard-fought, close games, but a break for Weaver on a Bulkeley fumble gave the Green gridsters a hard-earned 7-0 victory. "Babe" Capobianco, John Tomalonis, Bernie Cacase, Fran Vasquenza, and Jack Ramsey were Bulkeley's bright stars that day, while Christino was the offensive spearhead for the Weaver team.

Bulkeley's final encounter took place in Willow Brook Park when the Maroons played one of the greatest New Britain teams of all time. There the outplayed but not outfought Bulkeley team was set back 28-0. Bulkeley's offensive was well bottled up by what was perhaps one of the best high school lines in the country, and New Britain's unlimited power couldn't be stopped by the Allenmen. It was in this game that Bulkeley's two outstanding defensive men, "Cy" Seymour and Bernie Cacase, both sustained leg injuries.

So closed one of Bulkeley's poorest seasons as far as the won-and-lost column goes, but it will long be remembered as one of the most exciting ever witnessed. Long will be remembered, too, the fine playing of the following boys in our class: Captain John Tomalonis, Armand Ferreri, "Cy" Seymour, Chris Pappageorge, Ted Camilleri, John Ramsey, Francis Vasquenza, and Fran Kelly.

BASEBALL

The Maroon diamond forces, after getting off to a good start and gaining an easy victory over Wilson, got a little shaky and lost the next four straight games, due to the lack of hitting in the clutch. The Allenmen then regained their power, to knock Hartford High out of the ranks of undefeated teams.

Chris Pappageorge, one of the ace Bulkeley mound corps, turned in a beautiful one-hit performance against Woodrow Wilson in the opening game, to give the Maroons their first victory, 6 to 1.

Then came Hall High, which inflicted the first defeat of the season on Bulkeley, to keep its eighteen-game winning streak impregnable. Stan Ploszaj, the other moundsman, pitched fine ball, allowing only six hits and striking out nine, only to be defeated 2 to 0.

Weaver was the next team to which Bulkeley dropped a contest, because of lack of hitting in the clutch. Again, Pappageorge pitched good ball, giving up only five hits, but due to some tough luck was beaten 6 to 0.

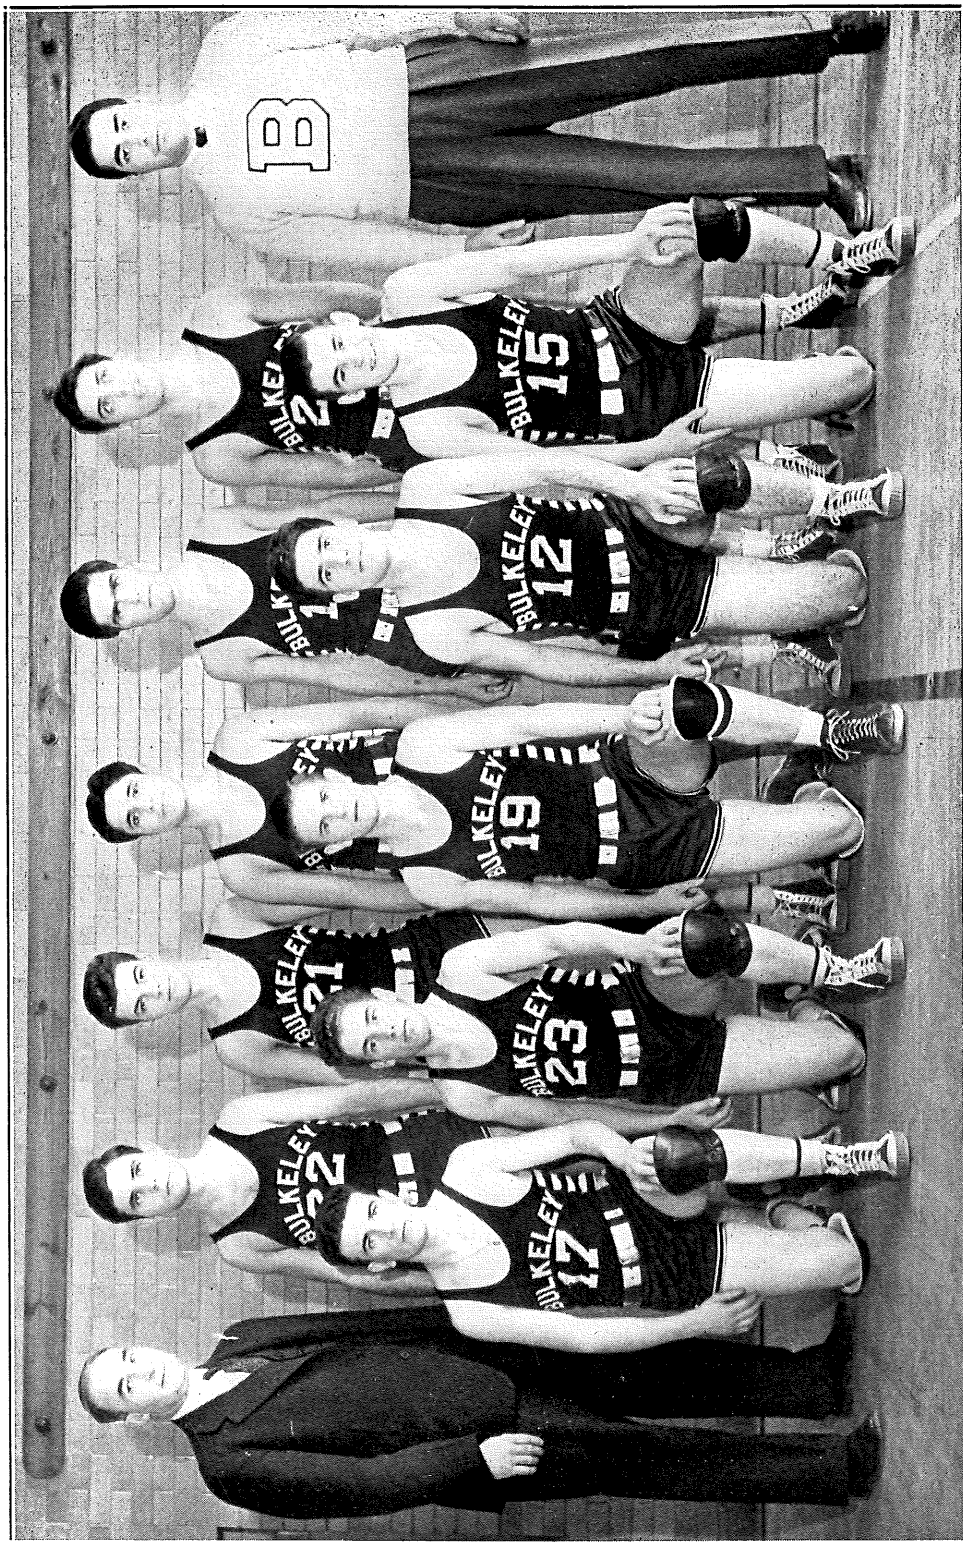

After being downed by Hartford High 6 to 1, and New Britain 5 to 3, the Bulkeley nine began to roll again.

Stan Ploszaj won his first game by defeating a favorite Hartford High team. It was the timely double of "Shark" Ferreri and the fine hitting of Bill Connelly, who were both outstanding at the plate throughout the season, that gave the Maroon and White their second win 5 to 1.

The infield combination of Smith, Repass, Eno, Ramsey and Connelly worked well both at the plate and on the field. Behind the mask doing nearly all the catching was Bob Patterson, ably assisted by Angelo Salvatore. The trio in the outfield found Ferreri in left, Camilleri in center, and Sposito in right. The mound corps consisted of two boys who pitched grand ball in every tilt, Chris Pappageorge and Stan Ploszaj.

THE BASKETBALL TEAM

BASKETBALL

This year's basketball team suffered by contrast because the 1941 team was so successful. At the beginning of the season Coach Allen didn't have a single returning letterman, but after pre-season practice the following boys were chosen to represent Bulkeley: "Cy" Seymour, Ted Camilleri, Jack Ramsey, Fran Kelly, "Chick" Sposito, Jim Guthrie, and Dan McGrath. The boys used a "man for man" defense, and their offense was based on "set-up" plays and man-to-man passing. They did not try to play the "fire engine" type some teams use. The former type seems to be the best suited for high schools.

In the first game of the season Bulkeley traveled to New Britain to battle what turned out to be one of the best teams in the state. There Bulkeley was defeated 35-21. So it was the rest of the season. Bulkeley played well but seemed to hit all the bad luck. The team Bulkeley played always seemed to get "hot" the night they played Bulkeley. This was aptly shown in the second New Britain game. In that game Bulkeley scored 40 points, only to lose 64-40. This was one of the best high school games in the district all year. Both teams played spectacular ball, but it was the veterans of New Britain who swung the verdict. About the only success Bulkeley had was against its city opponents. In these contests the Maroon and White split its four games. Bulkeley lost its first city battle to Weaver, but came back to defeat a favored Hartford High team in the South End gym. The Maroons also won their next city game from Weaver, to tie Hartford High for the lead in the city series. The title contest took place on the Hartford floor. The Hartford team rushed to an early lead (the first quarter score was 19-3), but the fighting team from Bulkeley made a valiant effort to salvage the city title, only to lose by a score of 37-35. This ending was one of the most exciting in the history of the city series. One of the other games long remembered was the 29-26 victory Bulkeley scored over a strong Meriden team. This game was marked by a near riot on the part of the Silver City crowd.

So ended the basketball schedule, but not the memories of the exciting games. In these games "Chick" Sposito, Jack Ramsey, "Cy" Seymour, Ted Camilleri, Fran Kelly, and Jim Guthrie did yeoman service for the Maroons. Many of this year's squad such as "Chick" Sposito, Jim Guthrie, Joe Puadziunas, Dan McGrath, Frank Granato, and Joe Halloran, are returning to insure a strong team next year.

TENNIS

The Maroon tennis team this year has been under the guidance of Mr. Wilson since the departure of the former coach, Mr. Williams, who has entered the army. The Wilsonmen, meeting the toughest opposition in the state, fought hard to knock off some of their rivals. Kenny Mah and Joe Puadzuinas were outstanding throughout the season, while Al Pappageorge, Howard Horan, and Allen Roussos also contributed many points. With only part of this year's team graduating, things look very promising for next year.

TRACK

The Maroon's track team fell off slightly this year. The lack of material was the main reason why the Bulkeley cindermen were not able to gain many victories. There were very few left-overs from last year, and very few boys came out for the squad this year, making it pretty difficult for Coach Daly to put out a winning team.

Captain Fran Kelly was outstanding throughout the season, getting an average of twelve points each meet. Fran tried to do nearly everything, throwing the javelin and shot, high jumping, and running.

The only other consistent performers were Ray Devanney, who high jumps, broad jumps, and throws the discus; Bob Carlo, Frank Treybal, and Tom Austin, who have also contributed their share of points.

GOLF

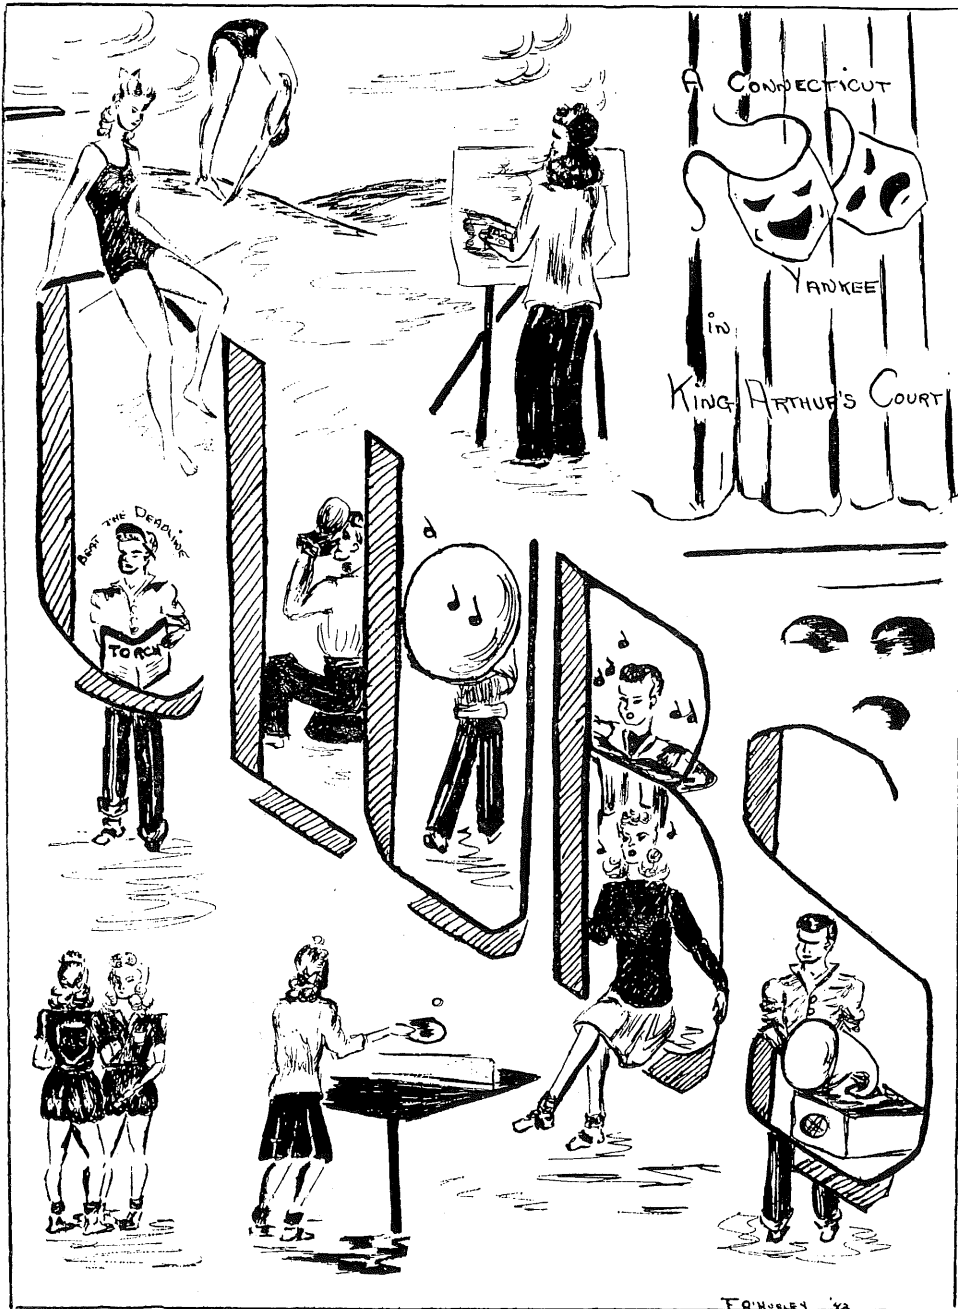

The Bulkeley golf team had a very successful season, winning nearly all their meets by high scores. Under the fine coaching of Mr. Quinn the Maroon and White exponents of "cow pasture pool" have proven their ability to be a winning and well-balanced club. The Quinnmen, competing against the toughest squads in the district, showed all their opponents that they possessed good driving power and neatness with the irons.

Johnny Pracon, the school's ace golfer, has been the greatest point-getter throughout the campaign. When things looked tough, Johnny always came through with some unexpected shots, to lead his team to victory.

Without the fine help of Ray Winters, Freddy Taylor, Marty Welch, and Dick Cowles, the Bulkeley golf team would have had a bad year.
